

# Ashtabula County Online Consortium Hosting Program

ACOC Hosting Service Application – Page 1 of 2

### Mission and Objectives

The purpose of the Ashtabula County Online Consortium (ACOC) is to provide internet technology leadership to all community centered, non-profit organizations to create and maintain a comprehensive website containing information about Ashtabula County. The ACOC will promote Ashtabula County as a good place to live, work and visit, and will increase our sense of community by fostering communication among residents, businesses and other organizations.

### Criteria for Hosting Service

An organization applying for assistance must meet the following criteria:

- Be an Ohio non-profit organization, non-profit club or recognized educational institution;
- Have a permanent Ashtabula County address or presence;
- Have an organizational mission statement compatible with the goals and objectives of ACOC.
